HAVDALAH AFTER: 7:37 PM

Parashat KI TISSA... There is a critical difference between the first and second experiences on Mount Sinai. The Torah states that the first set of tablets 'were the work of G-d'. For the second set, however, G-d told Moses to carve the two stone tablets himself. The first set of tablets was a gift. It is very difficult to fully appreciate a gift. The second set of tablets was the product of difficult but sincere human labor and persistence. Only these tablets would remain intact.

Jews throughout the ages have ushered in Purim with the reading of the Megillah in synagogue. Services on Thursday Eve, March 13 begin at 7:30 pm in the Main Sanctuary. The other mitzvot of Purim are: sending food gifts to friends (*mishloah manot*) and giving charity to the less fortunate (*matanot la'evyonim*). During the daytime on Purim one is obligated to eat a festive meal (*se'udat mitzvah*). You might consider attending Minyan at 8:00 am on Friday, March 14 to hear the daytime Megillah reading and enjoy the festive breakfast immediately after the service.
