*A Salute to
Susan & Albert Bahaloul*

We dedicate this Sixtieth Journal and Testimonial with respect and admiration to Susan and Albert Bahaloul. This dedication is a symbol of our sincere and heartfelt gratitude for their unique efforts on behalf of our Sephardic community.

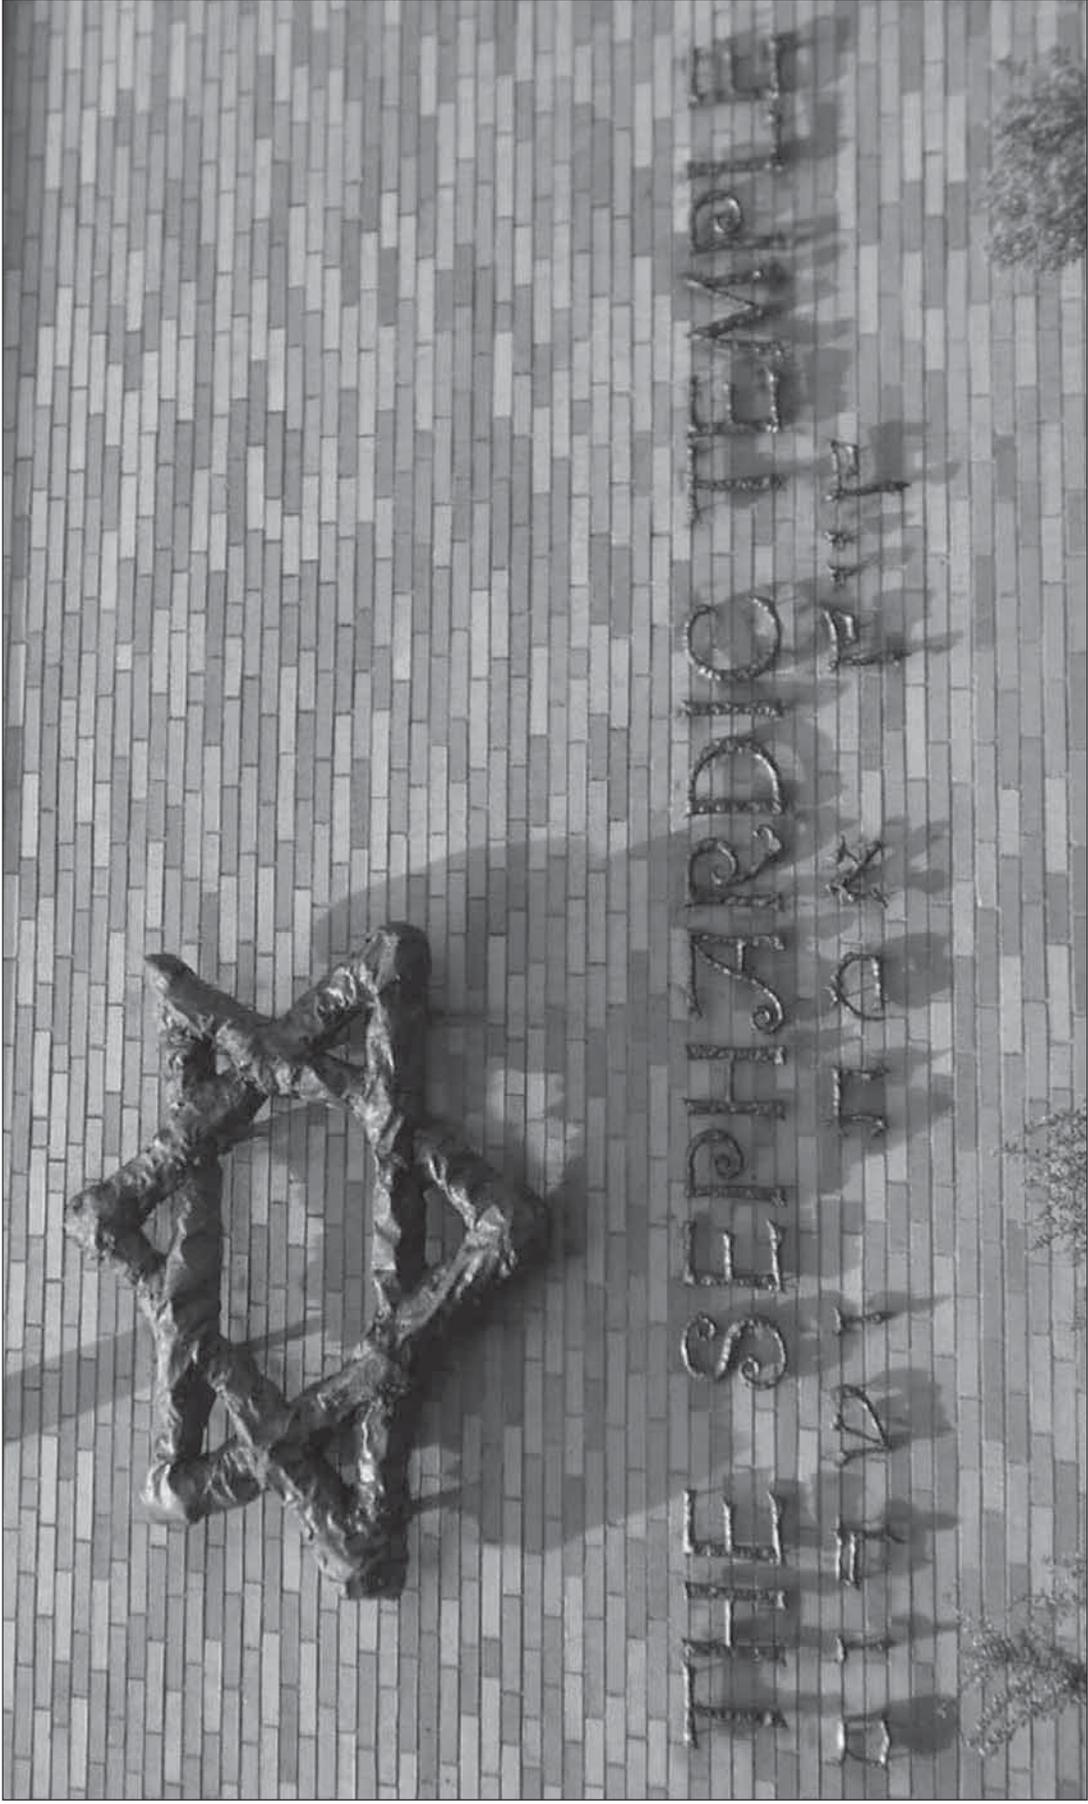

Susan and Albert are always willing to participate in the endeavors they undertake for the benefit of our Congregation. We take special note of their commitment striving towards the enhancement of our Sephardic traditions.

The Officers and Board of Directors of the Sephardic Temple take great pride in paying this well-deserved tribute to Susan and Albert Bahaloul.

May they be given many more years of health and happiness together with the joy of Jewish fulfillment.

HAZAK-U-BARUCH

As it is our custom every year, we choose honorees who have earned the admiration of our membership.

*This year it is my pleasure to announce **Susan and Albert Bahaloul** as our Sixtieth Journal Testimonial honorees. With Albert by her side, Susan as President of our Sephardic Temple Sisterhood stands amongst the top contributors to our synagogue's legacy. Susan and Albert are constantly willing to support and participate in many of the undertakings that benefit our congregation.*

This Testimonial Journal is an appropriate way of conveying the gratitude and respect that the Officers and Board of Directors have for Susan and Albert's enthusiastic efforts on behalf of the Sephardic Temple.

I consider it an honor and a privilege as President of the Sephardic Temple to be part of this memorable day.

May Hashem bestow health and happiness on Susan and Albert Bahaloul and our entire Temple family.

Isaac Mayo
President
The Sephardic Temple

A Thank You Message from the Bahaloul Family

Albert and I would like to thank Rabbi Golden and Shira, Cantor Yonati and Naomi, Executive Director Lloyd Denenberg, the Journal Committee: Russ Posner and Mel Matsil, the Office Staff: Ashley Rothbart, Robin Cohen, and Dee Soll, and the wonderful congregation of our beloved Sephardic Temple for bestowing upon us this special honor as this year's Journal Testimonial Honorees. We are grateful too for all the Temple members, family, and friends for sharing this honor with us.

Our family moved to the Five Towns in 1976 primarily because of the Sephardic Temple. My husband Albert was born in Morocco in 1941 to Sephardic parentage and when he was thirteen years old, the family moved to Israel where they continued to follow their Moroccan customs and traditions. Many of his friends already were "in the neighborhood", so to speak, and were members of our Sephardic Temple. When our children were of age to begin Hebrew School, we registered them immediately and became weekly Shabbat worshippers. In those days, we had an active Hebrew School and the children were under the tutelage of Rabbi Marans z"l. Children led the Junior Congregation services in the Chapel and joined the larger adult congregation to sing their songs in the Sanctuary. Both of our children, Raphael and Ronit, served as Presidents of Junior Congregation six years apart. We were so proud of them. Time passed and Raphael's Bar Mitzvah and Ronit's Bat Mitzvah were held in our Sanctuary. When Ronit and William's daughter Emma, our first grandchild, was born, her baby naming was held at the Sephardic Temple as well.

At the time that our children were growing up, I was working as an educator in the New York City school system. I took off from work for special occasions held during the daytime at the Temple, including Temple trips, card parties, and when Rabbi Marans and Zipporah Marans were being honored, etc. You can see how our social life included the Sephardic Temple as well!

In the year 2006 after working for forty-two years, I decided to retire. I worried about what I would do with all my free time (at the time I was Principal of PS 144 in Forest Hills). When I retired, I became an active member of the Sisterhood. Shortly thereafter, I became President of the Sisterhood and President of Hewlett Hadassah as well. As President of the Sisterhood, I planned activities and trips to Gracie Mansion, the Eldridge Street Synagogue, the Jewish Museum, the Museum of Modern Art, paid-up membership luncheons, moderated book talks (I was originally a Junior High School English teacher), planned an Oriental night which was a huge success with music by Ricky Pen, and held many Card Parties to help raise money for the Temple.

We sold raffles with my daughter Ronit's participation (she's a very good salesperson as well as a teacher). She traipsed the streets of the Five Towns business community for raffle prizes and was so successful. We plan to have another card party and paid-up luncheon this summer and hope that many of you will attend.

The Sephardic Temple has enriched our family life and we feel extreme gratitude for being honored. We have had wonderful times here and made wonderful friends. On behalf of Albert, my children Raphael and Ronit, and my grandchildren Emma and Jacob, we thank you for being a part of what we consider well-lived lives which we all strive for. I have gotten great satisfaction giving back to our community as Albert stood by me, being part of everything I did, helping me with each and every endeavor.

Just as an aside, I am of Ashkenazi background, but I can make a wonderful soup called harirah, Sephardic cholent, and chicken with olives, turmeric, and lemon. Together with Albert, we concocted a dish that we named Moroccan gefilte fish which we serve at holidays. Albert is still a better cook than I am.

Thank you again for this extraordinary occasion which will become a family memory and an example to future generations of what it means "to give back" with love to all, and to fully enjoy life as a result of active participation in the world around us.

ISAAC H. ZACHARIA

Honorary Chairman of the Board

The Sephardic Temple wishes to record its profound thanks to the late **Isaac H. Zacharia** and to **MaryAnn Zacharia** for their extraordinary graciousness in providing the Temple with the opportunity to reconstruct and refurbish the two main entrances.

The weekday chapel entrance was rebuilt, enlarged and refurbished with new sculptured doors and the chapel foyer was refurbished, including chandeliers and carpeting. The main entrance was reconstructed by widening the driveway, eliminating the steps, building a large marquee over the main entrance and installing new sets of sculptured doors, which have magnificently enhanced the main entrance.

We would like to thank the late **Mr. Joseph Camhi** for undertaking the initiative of this grand project that added to the grandeur of the Sephardic Temple.

1963 - 2023

A SHORT HISTORY OF THE SEPHARDIC TEMPLE

In the early 1950's a group of young Sephardim with the blessings of their elders organized a new congregation in the New Lots section of Brooklyn. This new congregation, called The United Sephardim of Brooklyn, accented a program of youth activities and services for young adults. It reorganized the religious school and utilized the existing facilities of the Williams Avenue synagogue and the Malta Street synagogue. The congregation flourished and achieved a singular reputation in the Sephardic community.

In the late 1950's the neighborhood began to change and Irving L. Rousso, who was a vice-president of the United Sephardim of Brooklyn was asked to head a committee to establish a new congregation in the Five Towns area. Under his leadership meetings were held in the homes of many prominent Sephardim who lived in the Five Towns and a strong nucleus of leaders undertook the creation of The Sephardic Temple. A large parcel of land was acquired on Branch Boulevard and our magnificent edifice was erected. The doors of the completed building were opened for the Pesach holidays of 1964.

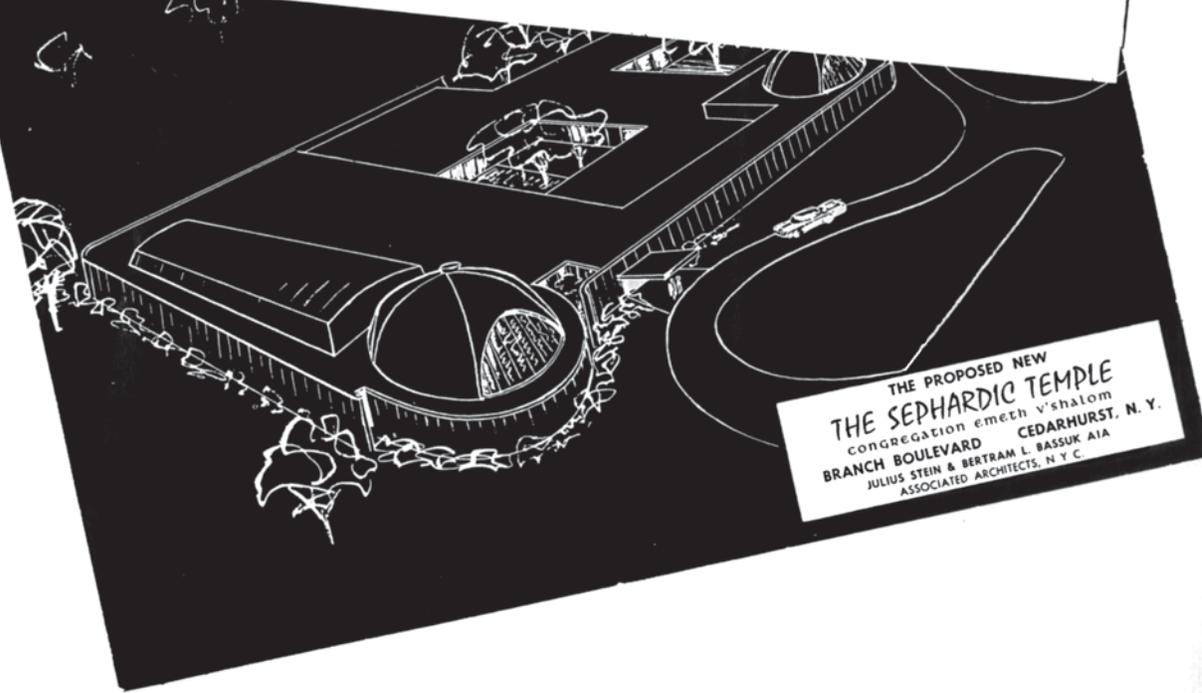

On the following pages we have highlighted events and happenings to recall these past years. We hope that you will remember these moments and enjoy these memories.

זה היום עשה ד' נגילה ונשמחה בו.
"THIS IS THE DAY WHICH THE LORD HATH MADE,
WE WILL REJOICE AND BE GLAD ON IT."
(Psalm 118)

The lower right of the above picture shows a part of the huge 5000 gallon fuel tank what was buried below the slab. Due to the high water table of the area the tank is anchored to a 5 ton block of concrete.

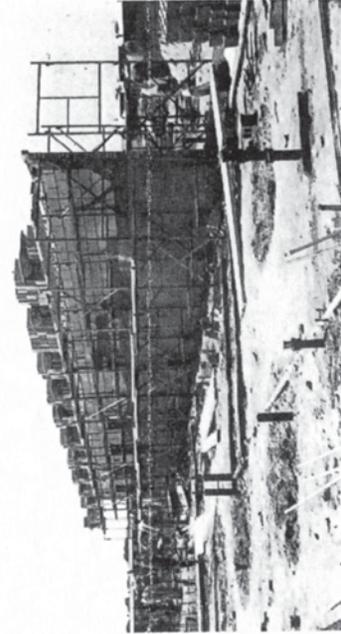

The rough plumbing is complete. The building has five comfort-room areas, a meat kitchen, a dairy kitchen and a custodian's apartment.

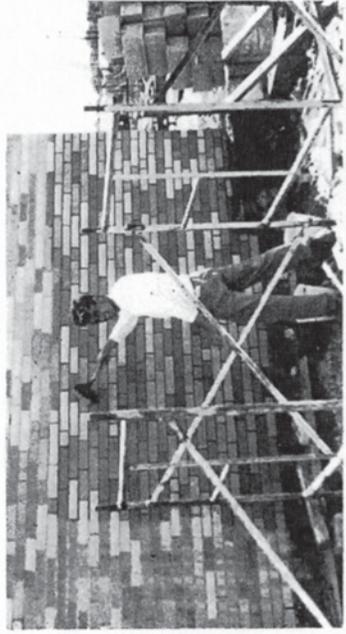

100 tons of steel rods have been placed into the slab, creating a strong unbreakable floor.

The brick walls are being erected. The courses are laid random, intermingling three shades of brown-gray, using 8 inch and 12 inch bricks.

The height of the outside wall is fifteen and a half feet, with large spans of glass curtain walls in certain areas.

To bring out the highlighting tones of the brick, the walls are scrubbed with acid, sanded and washed to a glowing finish.

THE TEMPLE

This is our second report of achievement. These reports give a visual picture of the building progress. The best picture can be obtained by visiting the site and seeing the accomplishments.

Amidst the mortar and steel we must never relinquish the nobility of our purpose. We stand at the threshold of a new era of service to our faith and customs, our people, and community. The devotion and labor of many people have brought us to the moment when dreams are translated to realities.

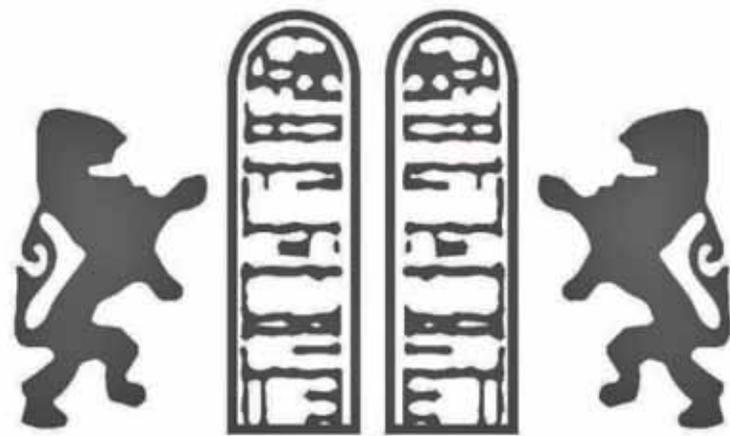

We have come home. The trek of centuries, dating from the Expulsion of Spain to this wonderful Land of Liberty consumed our strength but never weakened our spiritual ardor. The Sephardic Community is building a home commensurate with its stature as a people. It is building an artistic edifice of great beauty. It is erecting a House of God where the richness of the Sephardic minhag will be sung and adored. But most of all it is building a home and there is no place sweet as home.

How befitting that my parents are being honored by the Sephardic Temple. These are truly warm, good-hearted, honorable people who have always cherished and celebrated their Jewish heritage and taught their children and grandchildren to do the same.

Always active in the Temple and Jewish community, my parents attend synagogue regularly. My mother has been the Sisterhood President for many years which has given her a sense of both pride and fulfillment for her service to the Temple and Five Towns Sephardic community.

I have the utmost love and respect for my wonderful parents. They are role models not just for me, but for all. I wish them long life - until 120.

I am so proud to be their son.
