Parashat PINEHAS... contains frequently read passages in the Torah. On Rosh Hodesh and on Jewish holidays, a second Torah scroll is taken from the Heikhal. From this scroll we read a selection from the second half of Parashat Pinehas that lists the specific sacrifices that were offered in ancient Israel for that particular holyday.

Dear Temple family and friends,

Thank you for your thoughtful messages and best wishes during my recovery. Your kindness is much appreciated by myself and my family during this time.

In the meantime, take care and thanks again for your continued support.

Sincerely,

Lloyd Denenberg, Executive Director

A warm and heartfelt thanks to everyone involved in the Sixtieth Annual Journal Testimonial Luncheon.

As honorees, we feel blessed to be part of such a wonderful congregation. You have given us memories that will last a lifetime.

We extend our deepest gratitude to all for the planning and execution of such a beautiful day.

Hatzalah – Hebrew for rescue – is one of the largest U.S. volunteer ambulance services.

Hatzalah's two-tiered response strategy, using First Responders and ambulances, means that fully equipped and trained emergency care providers are at the scene within 2 to 4 minutes.

Hatzalah came to Lloyd Denenberg's aid during his time of need and expertly provided help.
