Parashat BO... During the final three plagues,

Pharaoh's greed and stubbornness became an

insurmountable obstacle. Pharaoh hardened his

own heart so strongly it seemed to others his heart was hardened

for him by G-d. As the moment of redemption approaches for

Israel, the nation of slaves begins to prepare for their great

deliverance from oppression. Here one finds the celebration of the

first Passover.

Genadeen Caterers*

Candle Lighting & Services.....5:29 PM

On Friday evening, March 1, the Sephardic Temple will be one of hundreds of synagogues across the continent that will celebrate a traditional, joyous communal Shabbat, with services and a festive meal.

Led by *Rabbi Golden and Cantor Yonati*, Shabbat Across America at the Sephardic Temple is an occasion to reintroduce the community to a practice that unifies the Jewish people. Everyone is invited... singles, couples and families. Bring you neighbors, your friends, and your whole family – and let's celebrate Shabbat!

*We extend our thanks and deepest appreciation to
The Ike, Molly and Steven Elias Foundation for their gracious subvention.*

Edward & Susan Tawil support this program in memory of Eli and Julia Rousso.
