admin@thesephardictemple.org (516-295-4644)**

Parashat YITRO... In Western religious literature, no passage has had a greater influence or remains a greater challenge than the Ten Commandments. To this day the events at Mount Sinai are a mystery. How G-d spoke to the children of Israel or what the nation experienced cannot be answered with any certainty. Our sage understood, however, that this gift was too important to be the exclusive possession of one people. They explained that the Torah was given in the desert, which belonged to no one nation, to teach that it belongs to all humanity.
