Parashat **SHEMOT**... Reading the opening verses of Exodus, one quickly realizes that while the Bible records

historical events, it is not what we moderns understand as history. The years that are described contain glaring gaps. While we are told much about Moses' career, we learn little about his youth or his middle years. The Book of Exodus records Israel's dramatic engagement with G-d rather than a synopsis of daily events.

IN THE TEMPLE FAMILY

THE SEPHARDIC TEMPLE WEEKLY BULLETIN . JANUARY 18, 2025

REFUAH SHELEMAH

רפואה שלמה

MARC RUSSO

Wishing you a speedy and complete recovery
