Please contact the Temple office with your reservations to help us plan ahead.

Parashat VAERA... Once Moses accepts G-d's challenge to return to the land of Egypt and to redeem his brethren, he leads an unrelenting campaign to gain their freedom. With G-d's encouragement, Moses and Aaron return to Pharaoh over and over again in order to demand Israel's release from bondage, so that they can serve their G-d. From the plagues we may deduce that the conflict in this Parashat is a direct challenge by G-d to the gods and the ruler of Egypt.

Sephardic Nonagenarians: A Panel by **Bryan Kirschen**

Estreyikas d'Estambul Children's Choir

"Kantiga," a **Ladino** Short Story by **Jane Mushabac**

Trio Sefardi: the Musical Finale!

Ladino is a bridge to many cultures. It is a variety of Spanish that has absorbed words from Hebrew, Turkish, Arabic, French, Greek, and Portuguese. The mother tongue of Jews in the Ottoman Empire for 500 years, Ladino became the home language of Sephardim worldwide. While the number of Ladino speakers has sharply declined, distinguished Ladino Day programs like ours celebrate and preserve a vibrant language and heritage. These programs are, as Aviya Kushner wrote in the *Forward*, "Why Ladino Will Rise Again."

Since 2013, International Ladino Day programs have been held around the world to honor the Ladino language, also known as Judeo-Spanish. January 30th marks New York's 5th Annual Ladino Day curated by Drs. Jane Mushabac and Bryan Kirschen for the American Sephardi Federation.
