Parashat MISHPATIM... In order to create a stable and well-structured society in which people are able to live with a sense of

security, it is necessary to have laws that govern our daily interactions. As a blueprint for the ideal society, the Torah outlined a series of civil and criminal laws in Parashat Mishpatim. The Hebrew word which begins our Torah portion, "Mishpatim", means both statutes and justice. The laws of the Torah were meant first and foremost to promote a just and moral society.

# Shabbat Across America

Friday Evening, March 3, 2023

Please join us  
for a full Shabbat dinner by  
Genadeen Caterers

Candle Lighting & Services.....5:30 PM

On Friday evening, March 3, the Sephardic Temple will be one of hundreds of synagogues across the continent that will celebrate a traditional, joyous communal Shabbat, with services and a festive meal.

Led by *Rabbi Golden and Cantor Yonati*, Shabbat Across America at the Sephardic Temple is an occasion to reintroduce the community to a practice that unifies the Jewish people. Everyone is invited... singles, couples and families. Bring you neighbors, your friends, and your whole family – and let's celebrate Shabbat!

We extend our thanks and deepest appreciation to  
*The Ike, Molly and Steven Elias Foundation* for their gracious subvention.

*Edward & Susan Tawil support this program in memory of Eli and Julia Rousso.*
