Parashat NOAH... The fascinating tale of Noah and the flood has been dealt with by everyone from Biblical scholars to movie moguls. Interest in this Biblical tale increased with the discovery of parallel flood tales among Israel's ancient near Eastern neighbors. Despite the similarities in the tales of Israel and her neighbors, the moral character of Genesis stands out as the most significant aspect of the Jewish flood story. Unlike her neighbors, Israel attributed this flood to moral corruption rather than the whim of the g-ds.
