Parashat KORAH... In this week's parashah, Korah and some fellow Levites presented a challenge to Aaron's religious leadership. Others joined Korah's challenge with the intent to usurp Moses' leadership. In later Jewish tradition Korah's rebellion became known as a controversy "not pursued in the name of Heaven". Such controversies, the Sages tell us, are always doomed to failure. When a controversy erupts between parties with conflicting yet sincere and honest concerns, it has a better chance to advance the Torah mission.

SEPHARDIC TEMPLE SHABBAT MORNING SERVICES

Shabbat Morning Services will be held in the Sanctuary as outlined in our updated COVID-19 Policy, available on our website: www.sephardicemplecedarhurst.org/covid-19

Registration to the Temple office for Shabbat requested by Thursday.

The first anyo for Rabbi Arnold B. Marans ז"ל will be commemorated during Shabbat services on June 26 when we will read a special hashkubah.

A formal memorial event will be scheduled for the fall, which will allow the members of the Marans family (who will be together at his grave in Israel for the anyo) - and a large gathering of congregants - to be present and reflect as a community on the passing of the Temple's founding Rabbi.
