Parashat YITRO... In Western religious literature, no passage has had a greater influence or remains a greater challenge than the Ten Commandments. To this day

the events at Mount Sinai are a mystery. Our sages explained that the Torah was given in the desert, which belonged to no one nation, to teach that Torah is not the exclusive possession of one people, but belongs to all humanity.

Candle Lighting & Services.....5:30 PM

On Friday evening, March 7, the Sephardic Temple will be one of hundreds of synagogues across the continent that will celebrate a traditional, joyous communal Shabbat with services and a festive meal.

Led by *Rabbi Golden and Cantor Yonati*, Shabbat Across America at the Sephardic Temple is an occasion to reintroduce the community to a practice that unifies the Jewish people. Everyone is invited... singles, couples and families. Bring your neighbors, your friends, and your whole family – and let's celebrate Shabbat!

*We extend our thanks and deepest appreciation to
The Ike, Molly and Steven Elias Foundation for their gracious subvention.*

Edward & Susan Tawil support this program in memory of Eli and Julia Rousso.
