Parashat VAYIGASH... The story of Joseph's life reaches its climax with Judah's magnificent plea on behalf of Benjamin. Moved to tears, Joseph is convinced that his older brothers have truly repented of their former behavior - their hatred for him that led to his exile to Egypt, as well as their callous disregard for the feelings of Jacob their father. After many years of alienation and separation, Joseph is finally assured that the family dynamic has changed. His brothers are shocked and frightened when Joseph reveals his true identity; yet, his warmth and acceptance quickly win the brothers over and the family is reunited.
