HAVDALAH AFTER: 6:22 PM

Parashat KI TISSA... There is a critical difference between the first and second experiences on Mount Sinai. The Torah states that the first set of tablets 'were the work of G-d'. For the second set, however, G-d told Moses to carve the two stone tablets himself. The first set of tablets was a gift. It is very difficult to fully appreciate a gift. The second set of tablets was the product of difficult but sincere human labor and persistence. Only these tablets would remain intact.
