Parashat TOLEDOT... This Torah portion describes the birth and youth of Isaac's twin sons, Esau and Jacob. These two brothers became caught in a tense rivalry. Their conflict eventually motivated Jacob to flee from his homeland for a period of time that exceeded twenty years. All too often, petty differences between siblings lead to unhappiness which can last a lifetime.

SEPHARDIC TEMPLE COVID-19 POLICY
FOR ALL TEMPLE PRAYER SERVICES AND EVENTS

Please see below for our COVID Procedures and Policy (revised November 1, 2021).

Only fully vaccinated individuals may attend worship services, whether in the Chapel or Sanctuary. Face masks are optional. Unvaccinated individuals and children under 12 years of age are not permitted to attend. We will continue to monitor the situation and adjust our policy as appropriate.

Vaccination verification needs to be provided to the Temple office prior to Shabbat, or upon entry on Shabbat morning.

Weekday Shahrit services are held in the Chapel on Sundays at 9:00am, and Monday – Friday at 8:00am. Participation in weekday services is also available via Zoom, please contact the Temple office for more information.

Shabbat morning services begin promptly at 8:45am and conclude around 11:45am. The Temple can only be entered through the front doors. The doors will be opened and staffed no earlier than 8:30am. Please check our weekly bulletin for information about Kabbalat Shabbat services.

Pre-registration for attendance to Shabbat services is requested, by contacting the Temple office: 516-295-4644, admin@thesephardictemple.org. A Shabbat Registration Confirmation email will be sent on Thursday evening to confirm your reservation.

Social distancing is still suggested, and hand sanitizer will be available.

Please be aware of all signage in the building and comply with our requests to maintain hygiene.

Anyone attending a service who finds afterwards that they are COVID-19 positive, agrees, by the fact of their attendance, to notify immediately the Sephardic Temple of their COVID-19 positive status so appropriate contact tracing and quarantine can occur without delay. It is important to note that - even if you are vaccinated - if you have any COVID symptoms or do not feel well, please do not come to Temple.

We ask for your cooperation as we implement these revised protocols. We are doing so after serious deliberation and consultation with both medical experts and Jewish communal professionals.

As always, your health is our priority. Please continue to be vigilant in following general COVID protocols in your daily life. Please encourage all who can get vaccinated to do so.

Your attendance at Temple services and events signifies your agreement with the above procedures.

Wishing you *anyos muchos, y salud buena para todos!*

Isaac Mayo, President
Rabbi Steve Golden
