Parashat LEKH LEKHA... Abram's departure from his ancestral home in Haran and his initial contact with G-d mark not only the birth of a new religion but also the beginning of a spiritual revolution. The Torah depicts Abram/Abraham as a man of action and as a human being with a deep capacity to display compassion and promote righteousness. In this regard Abraham – the first Hebrew – became an example to all future generations of Jews.

The anyo of "The Pittsburgh 11" will be observed on 18 Heshvan (Shabbat, November 12)...

In memory of the 11 members of Congregation Etz Hayyim Or Lesimhah - Tree of Life, in Squirrel Hill, Pittsburgh, Pennsylvania, who were murdered on October 27, 2018, in the worst antisemitic terrorist attack on US soil in American history.
