Please join us after the kiddush for a learning session with Rabbi Golden entitled: *What is a Sityym?*

HAVDALAH AFTER: 8:07 PM

PARASHAT TAZRI'A is the first of two parshiot that deal with the laws of purification. The Israelites were sometimes afflicted by an

illness called Tsara'at that required both a diagnosis and a spiritual cure that was administered by members of the priesthood. Although the word Tsara'at is often translated as leprosy, it is quite clear that this Hebrew word is altogether different from the disease we know as Hansen's Disease. Tsara'at, unlike leprosy, affects not only people, but also clothes and other objects.
