Parashat YITRO... In Western religious literature, no passage has had a greater influence or remains a greater challenge than the Ten Commandments. To this day

the events at Mount Sinai are a mystery. Our sages understood, however, that this gift was too important to be the exclusive possession of one people. They explained that the Torah was given in the desert, which belonged to no one nation, to teach that it belongs to all humanity.

Please see below for information regarding
Shabbat Across America (March 3)

We hope to see you soon!

Many thanks to Ashley, Angel, Damian, Lloyd and Cantor for their efforts to produce this year's lovely in-person Tu Bishvat Seder. Genadeen served a delicious meal and all in attendance had a great time. Hope that the dozen or so that tuned in via Zoom enjoyed a satisfying evening as well.

Blessings,

Rabbi Golden
