Parashat TZAV... The first half of Parashat Tzav describes many of the sacrifices that Israel offered in the

Tabernacle. While we no longer offer sacrifices, we should try to understand the religious and moral values that underlie these offerings. The sacrifices were a physical manifestation of one's gratitude to G-d, and a formal act of submission to the King of Kings. In the second half of the Parashah, the Torah describes the initiation ceremony for the priesthood.
