Please contact the Temple office with your reservations to help us plan ahead.

Parashat **SHEMOT**... Reading the opening verses of Exodus, one quickly realizes that while the Bible records historical events, it is

not what we moderns understand as history. The years that are described contain glaring gaps. While we are told much about Moses' career, we learn little about his youth or his middle years. The Book of Exodus records Israel's dramatic engagement with G-d rather than a synopsis of daily events.

Sephardic Nonagenarians: A Panel by **Bryan Kirschen**

Estreyikas d'Estambul Children's Choir

"Kantiga," a **Ladino** Short Story by **Jane Mushabac**

Trio Sefardi: the Musical Finale!

Ladino is a bridge to many cultures. It is a variety of Spanish that has absorbed words from Hebrew, Turkish, Arabic, French, Greek, and Portuguese. The mother tongue of Jews in the Ottoman Empire for 500 years, Ladino became the home language of Sephardim worldwide. While the number of Ladino speakers has sharply declined, distinguished Ladino Day programs like ours celebrate and preserve a vibrant language and heritage. These programs are, as Aviya Kushner wrote in the *Forward*, "Why Ladino Will Rise Again."

Since 2013, International Ladino Day programs have been held around the world to honor the Ladino language, also known as Judeo-Spanish. January 30th marks New York's 5th Annual Ladino Day curated by Drs. Jane Mushabac and Bryan Kirschen for the American Sephardi Federation.

RSVP for this Zoom event:
